

# BOMBARDIER

## GDT Specialist

BOMBARDIER the evolution of mobility

At Bombardier Aerospace, our employees work together to evolve mobility worldwide - one good idea at a time. If you have a good idea, we'll provide the environment where it will thrive and grow into a great product or customer experience. Your ideas are our fuel.

In your role, you will;

- Provide support to the Global 7000/8000 Operations Manufacturing Capability and Cycle Time Optimization teams during Production ramp-up and transitioning into Steady State, Sustaining Operations.
- Carry out support measurement analysis and manufacturing capability studies to validate assembly processes at the Final Assembly Line (FAL) and supplier Work Pack (WP) capabilities and their resulting impact on product definition, delivery and cycle time.
- Provide expertise to improve the joining of Major Structural WPs at FAL and the assembly of Structural WPs at the suppliers.
- Work with the FAL and with the Structural suppliers to witness the joining and assembly processes, to determine the roots causes of potential problems and to support the definition and execution of improvements to the manufacturing, measurements or engineering.

As our ideal candidate, you possess;

- A Bachelor degree in Engineering/Science and 3-5 years' experience in Quality and/or Manufacturing or an equivalent combination of education and experience.
- Strong knowledge of GD&T (Geometric Dimension & Tolerance).
- Experience with Metrology software.
- Experience in data analysis and statistics.
- Knowledge of CATIA V5 is considered an asset.
- Strong knowledge of Microsoft Office applications.
- Knowledge of Advanced Quality Planning (AQP) and Failure Mode Effects Analysis (FMEA).
- Excellent group facilitation skills with the ability to work well in cross-functional teams.
- Good oral and technical writing skills in English. French is considered an asset.
- The ability to work with minimum supervision, be a team player, are self-motivated, and demonstrate initiative as well as leadership, and good interpersonal skills.

*Bombardier Aerospace is an equal opportunity employer and encourages women, Aboriginal people, persons with disabilities and members of visible minorities to apply.*

Whether your candidacy is moving on to the next step of the hiring process or not, we will keep you informed by email or by phone. Join us at [careers.bombardier.com](http://careers.bombardier.com)
