

BOMBARDIER

Quality Line Manager, Supplier Compliance

BOMBARDIER the evolution of mobility

At Bombardier Aerospace, our employees work together to evolve mobility worldwide - one good idea at a time. If you have a good idea, we'll provide the environment where it will thrive and grow into a great product or customer experience. Your ideas are our fuel.

In your role, you will;

- Ensure functional role is integrated into Operations Unit resulting in a one-team approach;
- Coach/develop the integrated Operations Unit and Quality functional teams;
- Ensure that all team members understand their role and performance requirements in achieving the Operations Unit plan and provide feedback;
- Achieve the required Product Quality performance by reinforcing and implementing the Quality system and Quality gate process;
- Apply Risk Management techniques to ensure compliance to applicable product and process standards
- Utilize AES and Problem Solving techniques to ensure best practice and continuous improvement in Quality deliverables;
- Plan, implement and control functional activities in order to achieve the Operation Unit targets
- Maintain FOD/housekeeping standards to ensure a safe product and working environment
- Ensure the right resources are available to meet projected workload delivery on quality, cost and schedule;
- Maintain an equitable work environment.

As our ideal candidate, you possess;

- A Post-secondary degree/diploma in a quality or technical discipline;
- An understanding of Quality Management Systems;
- In depth knowledge and experience in quality budgeting control; manufacturing; scheduling;
- Previous experience in Collective Agreement administration
- The ability to bring team members together to reach the desired outcome;
- An understanding of Change Management process;
- The following traits: ethics, integrity and honesty, respect for others, cooperation, motivation to get things done, the ability to express ideas logically and coherently, a positive attitude, the ability to overcome obstacles, the willingness to assume full responsibility.
- The ability to utilize the appropriate resources to solve day-to-day problems, and react quickly to unforeseen events.

Bombardier Aerospace is an equal opportunity employer and encourages women, Aboriginal people, persons with disabilities and members of visible minorities to apply.

Whether your candidacy is moving on to the next step of the hiring process or not, we will keep you informed by email or by phone. Join us at careers.bombardier.com
