

BOMBARDIER

Quality Supervisor, Corrective Action

BOMBARDIER the evolution of mobility

At Bombardier Aerospace, our employees work together to evolve mobility worldwide - one good idea at a time. If you have a good idea, we'll provide the environment where it will thrive and grow into a great product or customer experience. Your ideas are our fuel.

In your role, you will;

- Provide supervision to unionized local 673 Quality Technicians
- Ensure adherence to Bombardier Quality Management System requirements throughout the aircraft build process.
- Track team performance on safety, quality, productivity, human development, and cost through use of the Bombardier Achieving Excellence System.
- Monitor quality discrepancies discovered during assembly and drive continuous improvement through problem solving.
- Design and Application of Experiments and Testing in support of employees performing Root Cause Analysis and Validation of Solutions.
- Situational Appraisal to select appropriate tools for a given circumstance, and facilitate structured decision making related to Problem Solving applying exceptional Risk Management skills.
- Exercises initiative and independent judgment, in order to support management and personnel.
- Works on problems of diverse scope; applies knowledge to highly complex problems; identifies with non-standard tasks/queries.
- Will be required to keep track of and monitor cross functional projects including managing workload, assigning tasks and being accountable to ensure all projects are adhering to schedule.

As our ideal candidate, you possess;

- Post-secondary degree/diploma in technical discipline is preferred.
- Minimum of 5 years of Experience in Problem Solving in a Manufacturing environment preferably in Supply Chain, Quality, Manufacturing, or Project/Quality Engineering.
- Must be familiar with a wide variety of advanced analytical and diagnostic Problem Solving and Decision Making Tools
- Recognized for your leadership, communication and coaching skills, as well as for your ability to mobilize and engage a team.
- Previous experience with Collective Agreement application is an asset.
- A successful candidate possesses the following: ethics, integrity and honesty; respect for others; cooperation; motivation; ability to express ideas logically and coherently; positive attitude; ability to overcome obstacles; utilizes the appropriate resources to solve day-to-day problems; reacts quickly to unforeseen events.

Bombardier Aerospace is an equal opportunity employer and encourages women, Aboriginal people, persons with disabilities and members of visible minorities to apply.

Whether your candidacy is moving on to the next step of the hiring process or not, we will keep you informed by email or by phone. **Join us at careers.bombardier.com**

Your ideas move people.
