BOMBARDIER the evolution of mobility

At Bombardier Aerospace, our employees work together to evolve mobility worldwide - one good idea at a time. If you have a good idea, we'll provide the environment where it will thrive and grow into a great product or customer experience. Your ideas are our fuel.

In your role, you will;

- Provide supervision to unionized local 112 Inspectors as well as unionized local 673 Quality Technicians.
- Execute the Quality strategy for the Global 7000/8000 to ensure a successful transition into serial production.
- Ensure adherence to Bombardier Quality Management System requirements throughout the aircraft build process.
- Track team performance on safety, quality, productivity, human development, and cost through use of the Bombardier Achieving Excellence System.
- Monitor quality discrepancies discovered during assembly and drive continuous improvement through problem solving.
- Achieve defined departmental budgets.
- Maintain a safe and equitable work environment for all employees
- Respect the schedules and business plans associated with the various phases of a new program launch.

As our ideal candidate, you possess;

- Post-secondary degree/diploma in technical discipline is preferred.
- Minimum of 5 years Quality experience, or an equivalent combination of education and experience.
- Recognized for your leadership, communication and coaching skills, as well as for your ability to mobilize and engage a team.
- Previous experience with Collective Agreement application is an asset.
- Must be flexible and able to work various shifts, including weekends.
- Familiarity with Transport Canada Civil Aviation regulations and AS9100 Quality System requirements
- A successful candidate possesses the following: ethics, integrity and honesty; respect for others; cooperation; motivation to get things done; ability to express ideas logically and coherently; positive attitude; ability to overcome obstacles; utilizes the appropriate resources to solve day-to-day problems; reacts quickly to unforeseen events.

Bombardier Aerospace is an equal opportunity employer and encourages women, Aboriginal people, persons with disabilities and members of visible minorities to apply.
